Subject: Welcome to Your Sensor Program

Hi Christopher,
Welcome to your sensor program! We are excited that you are about to protect your property and equipment with the latest sensor technology.
Your Next Steps!
Please download the Meshify Protect app to ensure your account is set up accurately and complete the steps below.

1. **Confirm the address** of where the sensor(s) will be placed.
2. **Add your contacts.** Your contacts can also receive alerts and activate the sensor(s).
3. **Choose your notification preferences.** You can obtain alerts via SMS text, email, and/or push notifications.

Account setup usually takes about 5 minutes to complete.
You can also set up your account at meshifyprotect.com

Important: If you are performing a self-install and assigning the installation to another person, please inform them first and then add that individual as a notification contact on Meshify Protect. Once added, the contact will receive a welcome email so they can begin installation.

Need help? Please send us an email at sensorsupport@hsb.com or call **(844) 468-1866**.
We're available Monday - Friday, 8am to 8pm Eastern Time.

Thank you,
Sensor Support Team
